COMPANY INTRODUCTION

About Us

Persian Horizon is an international holding company dedicated to helping businesses establish a strong presence in the UAE's dynamic, tax-free, and thriving economy. Our expertise spans the entire business globalization journey, from ideation to expansion and growth, ensuring a seamless entry into regional and global markets.

Our Expertise & Credibility

At Persian Horizon, we combine experience, expertise, strong networks, comprehensive services, and cutting-edge technology to deliver exceptional value to our clients. We believe that tailoring solutions to each client's unique needs is the key to achieving outstanding results and long-term success.

PACKAGE INTRODUCTION

Title

A streamlined and intelligent approach to launching your business in the UAE while ensuring full compliance with legal and professional infrastructure requirements.

Objective

The Smart Business Launch package is designed to provide a fast, compliant, and low-risk pathway to setting up a business in the UAE. It covers all essential aspects of a new business—from company registration and financial structuring to virtual offices, branding, digital infrastructure, and administrative support.—This package ensures entrepreneurs can focus on growth and innovation without getting entangled in complex administrative and financial processes.

KEY FEATURES

Company formation (LLC, branch, or representative office in the UAE)

Financial and tax structuring (VAT compliance and financial documentation)

Virtual office setup (legal address, call answering, and correspondence management)

Insurance structuring (business liability, health insurance, and financial credibility)

Legal documentation for obtaining business loans and financial facilities

Professional website development

Social media management and digital marketing

KEY FEATURES

Logo design and brand identity development

IT infrastructure setup (corporate email, cloud services, cybersecurity)

Comprehensive business support and administrative services

Dedicated call center

Professional accounting & auditing services aligned with UAE regulations

Business travel and UAE residency facilitation for company representatives

Smart automation protocols for remote business management

SERVICE DETAILS

Company Formation (LLC, Branch, or Representative Office)

We guide you through selecting the most suitable company structure (LLC, Free Zone, Offshore, etc.) and handling all legal processes to establish your business in the UAE. Entrepreneurs can also set up branches or representative offices to extend their market presence.

Financial & Tax Compliance

This includes setting up a financial framework, registering for VAT, and ensuring compliance with UAE tax regulations to help businesses avoid penalties while maintaining financial credibility.

Virtual Office Setup

For businesses that don't require a physical office, we provide a legal address, call answering services, and correspondence management, ensuring a professional presence in the UAE market.

SERVICE DETAILS

Business Insurance Structuring

We facilitate the setup of health, liability, and corporate insurance plans, essential for obtaining financial support and legal compliance in the UAE.

Legal & Financial Documentation for Business Loans & Credit

Expertly structured financial and legal documents are provided to secure business loans, trade finance, and banking credit, ensuring a smooth financial foundation for growth.

Professional Website Development

A modern, industry-specific website is designed to enhance brand visibility, provide business information, and support online transactions.

Social Media Management

We create, optimize, and manage Instagram, LinkedIn, Facebook, and other social platforms to strengthen branding and digital marketing efforts.

SERVICE DETAILS

Brand Identity & Logo Design

A distinctive visual identity, including logo design, brand color schemes, and typography, ensures a strong and recognizable presence in the UAE market.

IT Infrastructure & Cybersecurity

We set up corporate email systems, cloud-based operations, and cybersecurity protocols to streamline business operations and enhance data security.

Business Support & Administrative Services

This includes contract drafting, correspondence management, customer relationship handling, and administrative optimization.

Centralized Contact Center Setup

We establish a professional call center a dedicated number for your country of choice to enhance customer support, sales services, and market communication.

SERVICE DETAILS

Professional Accounting & Auditing Services

Our certified financial services ensure accurate bookkeeping and compliance with UAE financial regulations using government-approved accounting software.

UAE Residency & Business Travel Facilitation

We assist in obtaining UAE residence visas for business owners and representatives, including travel logistics such as flights, accommodation, and business trip planning.

BENEFITS

Fast & Compliant Setup – Legally establish your business while ensuring full tax and financial compliance

A man with a beard, wearing a dark blue suit, white shirt, and patterned tie, stands in front of a large window. The window looks out onto a city skyline at sunset, with the sun low on the horizon, creating a warm, golden glow. The skyline includes several tall buildings, with one particularly prominent skyscraper on the left. The man is smiling slightly and looking towards the camera.

BENEFITS

Cost-Effective Solutions – Access virtual offices, optimized financial structures, and tailored credit facilities

BENEFITS

Strong Digital & Brand Presence – Professionally designed website, social media, and brand identity

BENEFITS

Smart & Efficient Operations – IT infrastructure, accounting, and remote management tools for seamless operations

A man in a dark suit and light blue shirt is seen from the back, looking up towards a city skyline. A large, solid yellow circle is positioned behind the word "BENEFITS". The background is a light blue sky with a dark blue silhouette of a city skyline, including a prominent skyscraper on the right.

BENEFITS

With the Smart Business Launch package, entrepreneurs can seamlessly enter the UAE market without requiring in-depth knowledge of local business regulations. We handle all complexities, allowing you to focus on business growth and expansion.
