

Secure Investment Opportunity in the UAE with Fixed Profit & Legal Guarantee

Monthly income, real legal assurance,
and full transparency — tailored for
investors seeking long-term growth and
security in the Emirates.

Why This Opportunity Is Ideal for Iranians

We offer two carefully designed investment options tailored to your needs — whether you seek fixed monthly profits or higher returns through a step-based model. Both options ensure legal guarantees, secure accounts, and total transparency.

Key Benefits of Both Models

Predictable monthly profit

Real legal guarantees (registered contracts)

Dedicated bank accounts for your investment

Flexible plan selection

Choose between fixed or increasing profit model

Model 1 – Fixed Monthly Profit with Legal Guarantee

01. Investment Details

- Initial Investment: Minimum 30 K Dollars
- Monthly Profit: 3% in foreign currency
- For example, with a 30 K Dollars investment converted to AED, the investor receives 3% monthly profit in AED.

02. Legal and Guarantee Mechanism

- The investor receives a debt acknowledgment document and a guarantee cheque.
- A designated bank account is introduced, and all legal procedures are followed.

Long-Term Investment Returns

Contract Duration	Annual Profit
1 Year	25%
2 Years	30%
3 Years	35%
4 Years	43%
5 Years	55%

- During the investment period, the guarantee cheques or acknowledgment documents are renewed annually.
- Guarantee cheques can be issued from either Iran or the UAE, depending on legal assessment.

Important Note:

If the investor is a legal entity, an official bank guarantee letter can also be issued for added security.

Model 2 – Capital x2 After Holding Period + Monthly Profit

Minimum Investment: 500,000 AED or 137,000 \$

Investment Amount (in AED)	Duration of Investment	% of Monthly Profit
500K AED to 899K AED	26 Months After Capital x2	3.8%
900K AED to 1.499M AED	24 Months After Capital x2	4.3%
1.5M AED to 1.999M AED	22 Months After Capital x2	5.2%
2M AED and above	20 Months After Capital x2	6.65%

Note:

In investment model 2, if the client asks to receive monthly profit, the total return will be divided over a period 1 month longer than the capital investment duration.
